

Cosmetology

Diploma

Do you like to help others look and feel their best? Then a career in Cosmetology awaits you. Our comprehensive cosmetology curriculum covers a wide variety of skills including classes in hair styling, color, manicuring, skin care, chemical services, and salon management. You will have the opportunity for supervised practice in the school's full-service cosmetology clinic and perform services for real clients.

This clock-hour program is designed to train students in both theory and practical experience. The courses are structured to give each student a well-rounded and marketable education.

After completion of 1,250 hours of instruction **AND** successful completion of the Cosmetology program, the

graduate must take and pass the licensure examination through the Pennsylvania State Board of Cosmetology in order to practice in the Commonwealth of Pennsylvania. All classes prepare our students to take and to pass the exam; a mock state board exam is available to the student prior to the actual exam.

Graduates of this program will earn a diploma.
