

Massage Therapy

Diploma

Massage therapists are employed by resorts, hotels & cruise lines, spas & salons, hospitals, chiropractic offices, health and fitness centers, and self-employed in private practice.

Students will learn a wide variety of massage styles and modalities that include orthopedic and sports massage, spa therapies, and Eastern paradigms.

Also included in the curriculum are courses in anatomy and physiology, kinesiology, pathophysiology, and practice management. In addition, students will have the opportunity for supervised practice in the school's massage clinic.

Students will be trained and certified in CPR and First Aid prior to graduation. Additionally, training in the state required child abuse mandate reporting will be provided to students in this program.

Graduates are eligible to sit for the Massage & Bodywork Licensing Examination (MBLEX), given by the Federation of State Massage Therapy

Boards in order to apply for initial licensure. Licensure is required to practice in the Commonwealth of Pennsylvania and in the State of West Virginia.

Graduates of this program will earn a diploma. This program may lead to a Specialized Associate degree in Therapeutic Massage. Graduates wishing to earn a Specialized Associate Degree in Therapeutic Massage may do so by completing an additional 915 hours of massage and general education at the Uniontown, PA, location.
